Come giocare

1. Ritaglia in due la pagina e crea due cartelle per foglio. Stampa un'altra copia e ritaglia le tessere per giocare a tombola.
2. Stampa ogni foglio due volte e ritaglia le tessere per giocare a Memory.
3. Classifica gli animali per categoria: i cani a destra, i gatti a sinistra ecc.
4. Prendi una tesserina dal mazzo e fai indovinare al bambino di che animale si tratta facendo un indovinello oppure facendo il verso dell'animale.
5. Giocate a fare i versi degli animali!
