# La ruota delle emozioni di Timmy

Ritaglia la ruota e la freccia.

Utilizza un fermacampione per mettere la freccia sulla ruota.

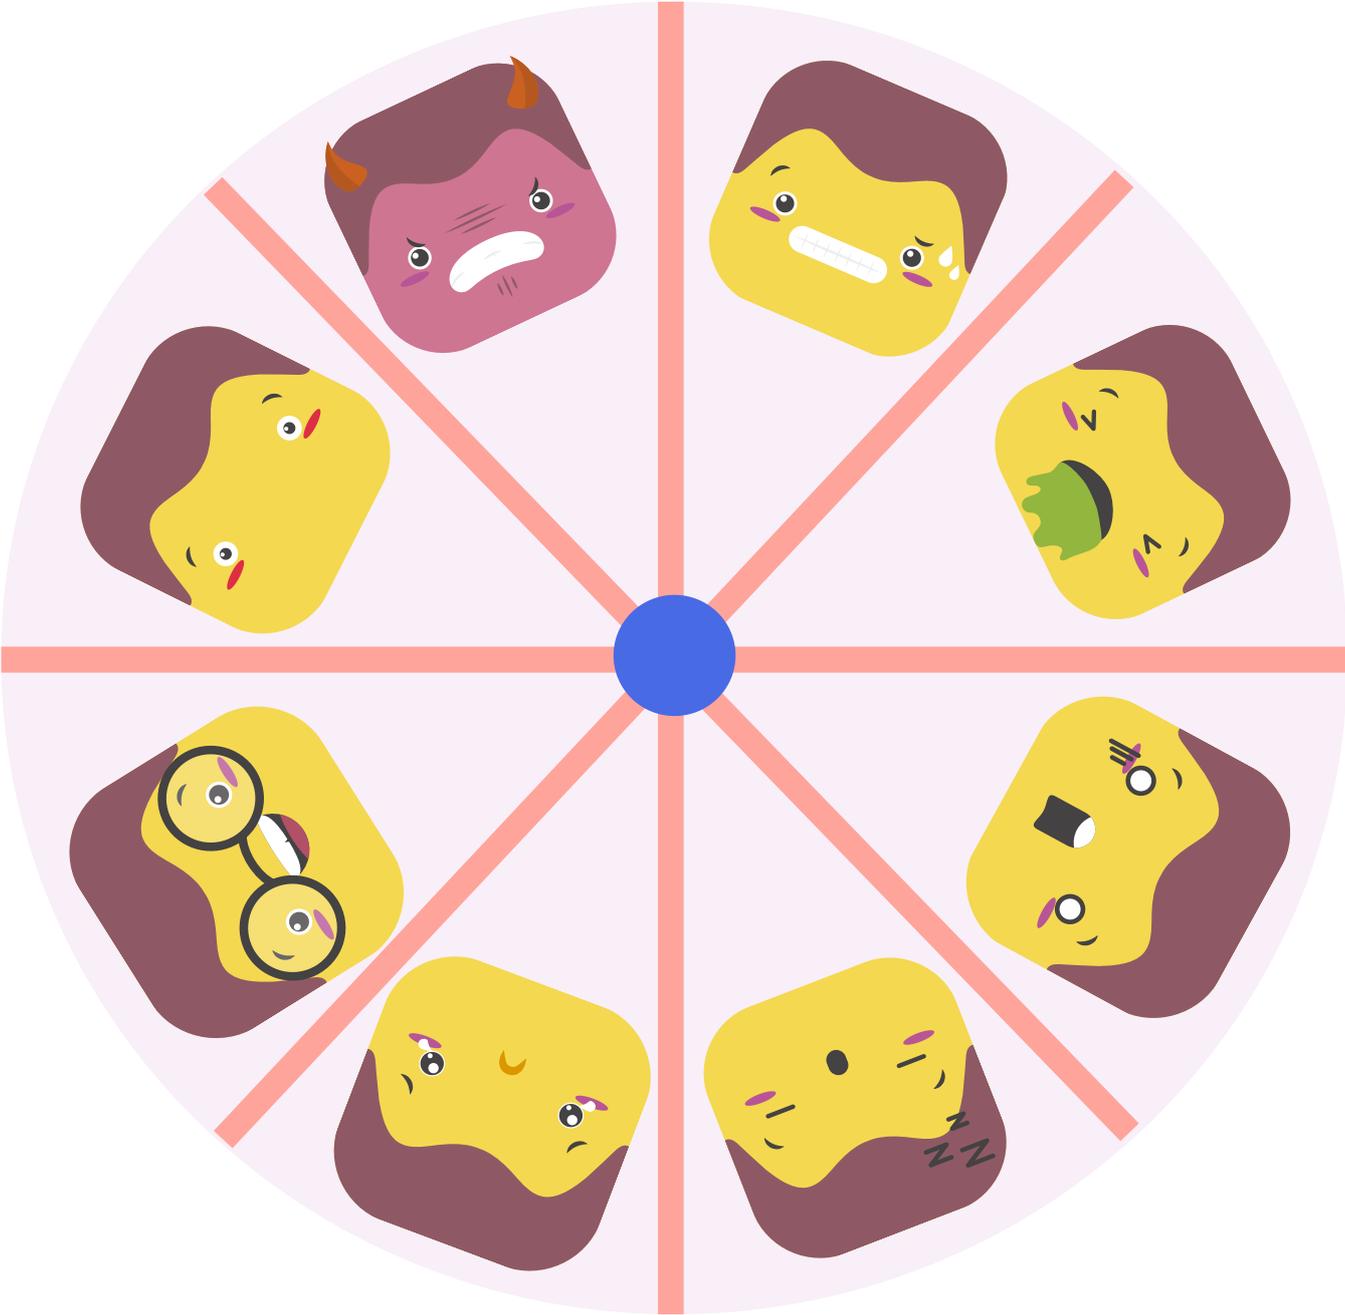

Gira la freccia e quando si ferma **racconta una volta in cui ti sei sentito come il nostro amico TIMMY.**

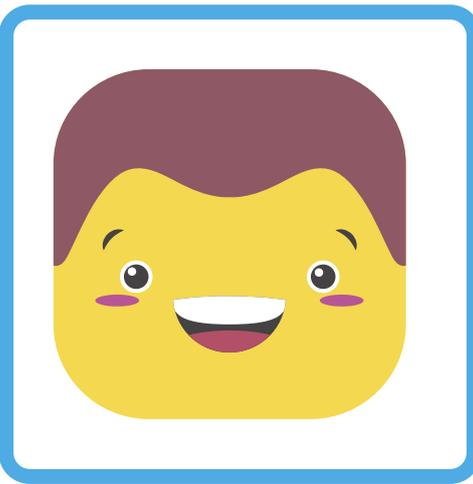

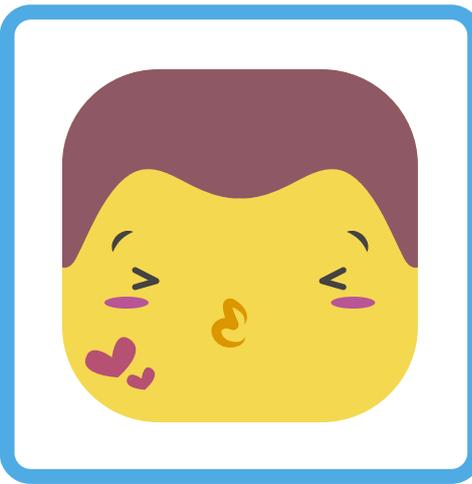

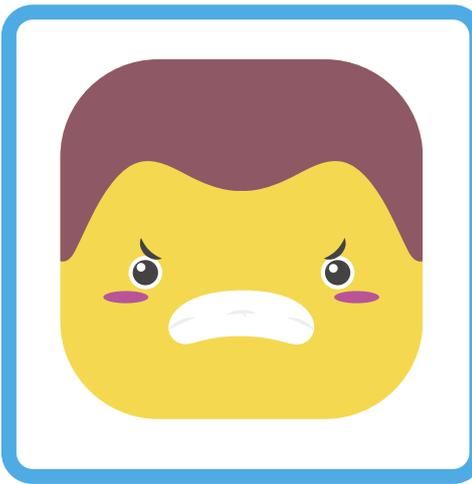

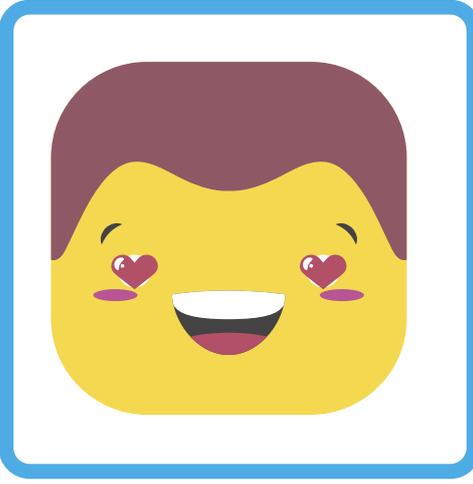

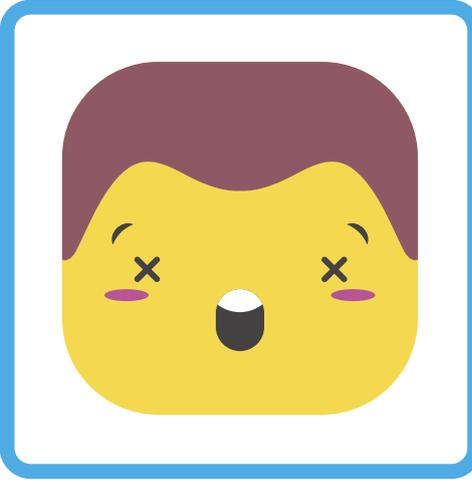

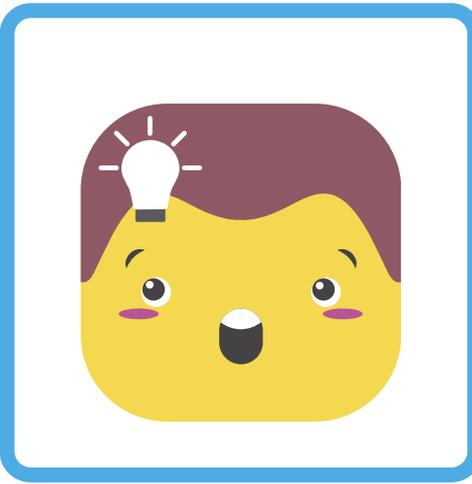

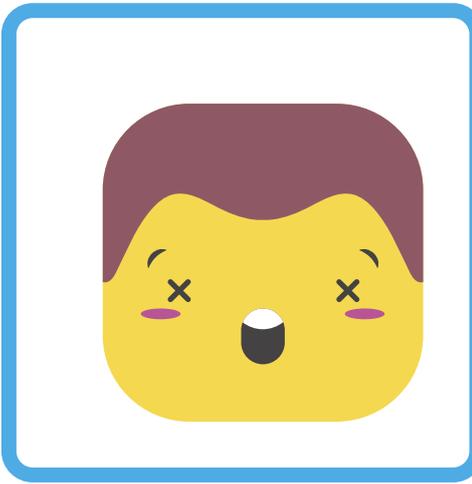

Ritaglia le cards di Timmy e gioca a **riconoscere quale emozione sta provando.**

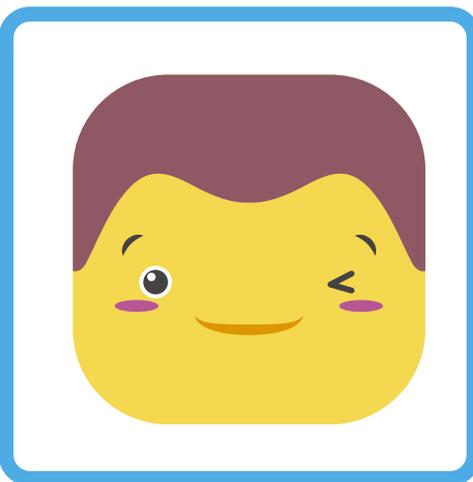

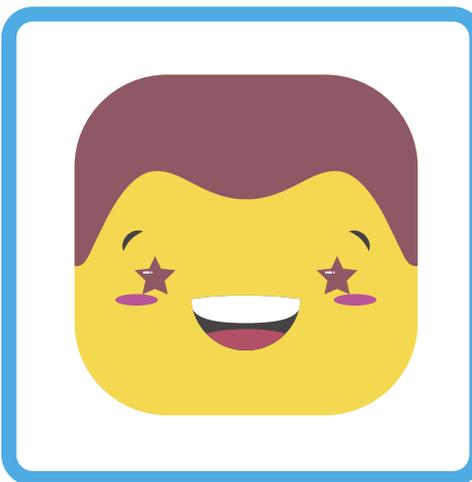

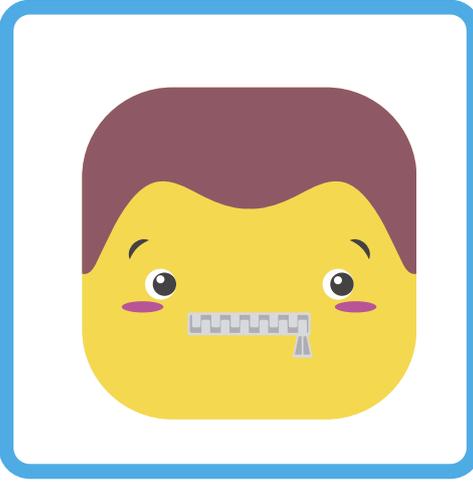

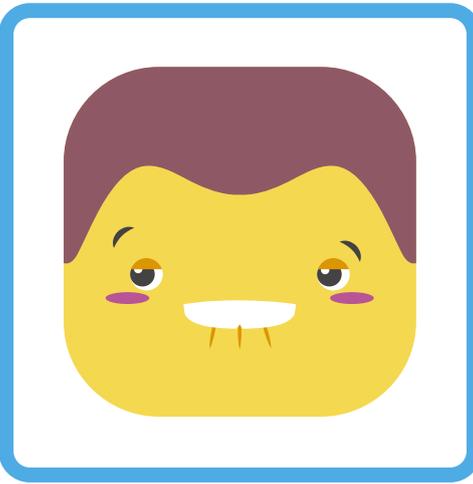

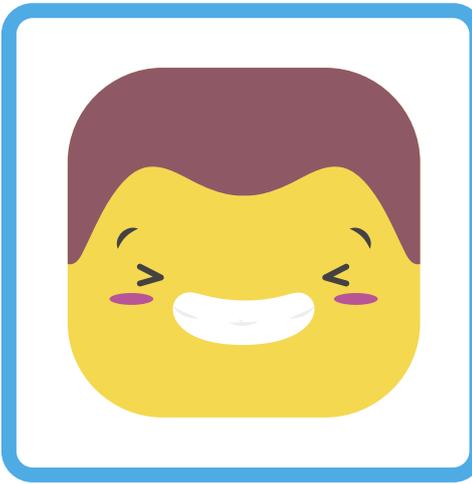

Con le carte puoi anche:

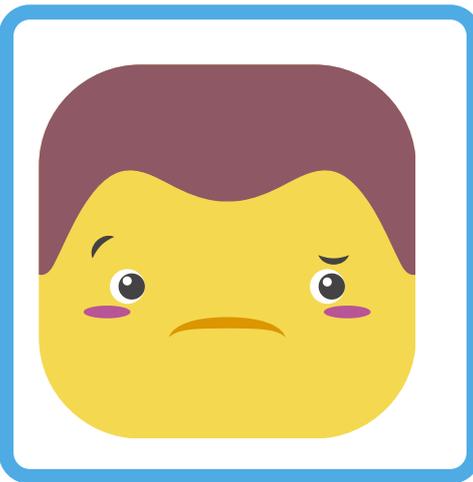

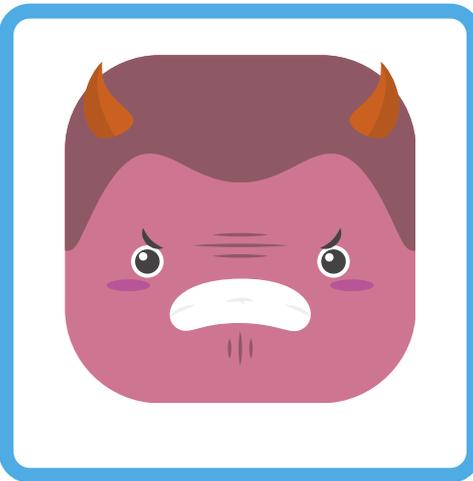

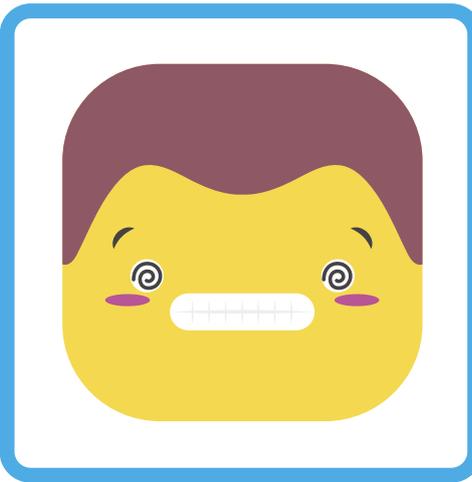

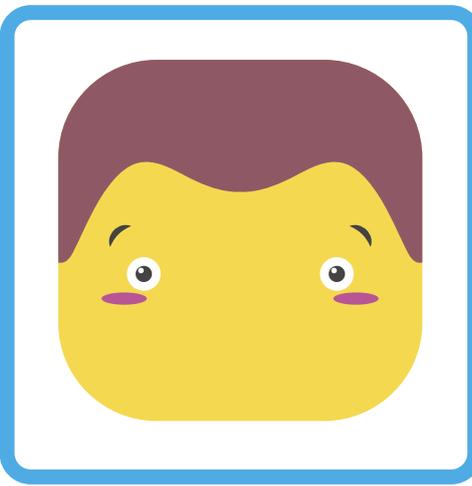

★ giocare a **memory**

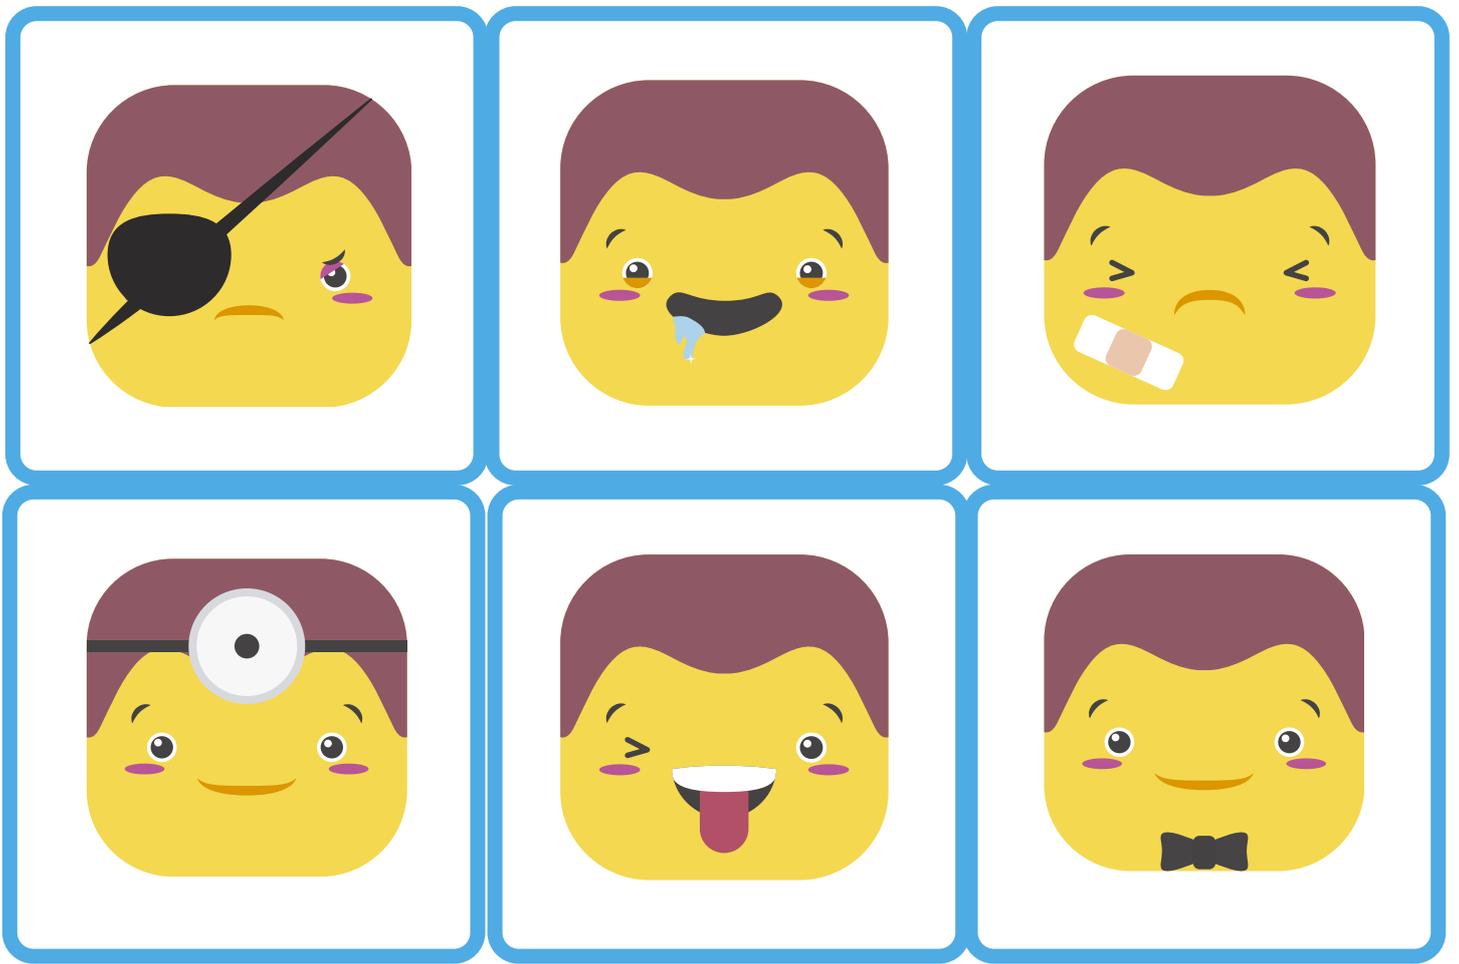

★ giocare a **pesca e indovina l'emozione:** utilizzando una graffetta di metallo su ogni carta, e una canna da pesca fai da te con un magnete, disponi le carte sul tavolo e racconta un episodio: il bambino dovrà indovinare che emozione prova il protagonista e pescare la o le emozioni corrispondenti.
